

## Overzicht van Amsterdamse notariële akten vermeld in de vonnissen van averij-grosse uit de periode 1700 - 1810

### [Archief 5075: Archief van de Notarissen ter Standplaats Amsterdam](#)

Het overzicht bevat in totaal 5449 akten van Amsterdamse notarissen. Hierbij inbegrepen zijn drie ongedateerde akten, twee van notaris Daniel van den Brink en één van notaris Jeremias Walschaert. Niet meegeteld zijn enkele eveneens ongedateerde akten van notaris Jan Barels. Van deze akten kon het juiste aantal niet worden vastgesteld.

Verreweg het grootste deel van de opgenomen akten bestaat uit scheepsverklaringen. Soms wordt in een vonnis melding gemaakt van een bevrachtingscontract. Als daarbij de datum en de naam van de notaris zijn genoemd, dan zijn deze contracten ook in het overzicht opgenomen.

In het midden van de tachtiger jaren der achttiende eeuw begonnen de schrijvers van de vonnissen geleidelijk aan te volstaan met het aangeven van alleen maar het aantal verklaringen waarop de procedure was gebaseerd. De datum en de naam van de notaris werden niet meer vermeld. In de eerste helft van het jaar 1786 ([inventarisnummer 2899](#)) werden nog slechts 9 scheepsverklaringen voorzien van een datum en een notarisnaam. In de vonnissen uit de periode juli 1786 - 1806 ([inventarisnummers 2900-2920](#)) werden in totaal maar 5 scheepsverklaringen genoemd die voorzien waren van een datum en de naam van de notaris.

Daarentegen werden in de vonnissen uit de jaren 1807 - 1810 ([inventarisnummers 2921 - 2924](#)) weer wel notariële akten genoemd met een datum en een notarisnaam. In deze gevallen betrof het uitsluitend procuraties waarbij schippers bepaalde personen machtigden om namens hen op te treden bij de afwikkeling van de averij-grosse procedure. Deze procuraties zijn eveneens in het overzicht opgenomen.

In de kolom NOTARIS van het overzicht komen onder de notarisnaam twee perioden voor. De eerste, gemerkt "a" betreft de periode waarin de notaris werkzaam was. De tweede, gemerkt "b" betreft de periode waarin ten overstaan van de betreffende notaris scheepsverklaringen zijn afgelegd ten behoeve van averij-grosse procedures.
